**1. OHIO ISSUING NEWLY FORMATTED DRIVER LICENSE AND IDENTIFICATION CARD STATEWIDE**

Effective January 5, 2015, the Ohio Bureau of Motor Vehicles (BMV) began issuing a new format of Ohio's Driver License (DL) and Identification Card (ID) to customers renewing their DL or ID.

Visible changes to the DL and ID include:

- Blue/green card in place of the former salmon colored card
- Laminate on front of card now contains the word "OHIO" and the year "1803" near the top of the card

Individuals holding a DL or ID printed in the old formats are still valid until the DL or ID is expired. Customers are not required to obtain a replacement DL or ID if they have the old format. [Attached](#) to these Staff Notes is an informational flyer containing sample images of the newly formatted DL/ID cards.

**2. DISPATCHING AND REPORTING OF DOMESTIC VIOLENCE**

Recently there have been several incidents involving Domestic Violence (DV) victims responding to another district to report the offense. The reporting process for this type of circumstance is not clearly addressed in Procedure 12.412, Domestic Violence.

Patrol Bureau commanders discussed the issue and determined an officer from the **district of occurrence** will be dispatched to the victim's current location (e.g., a different district station or address; a hospital, etc.) to take the report, initiate the investigation and sign warrants, if applicable. Officers should notify the Emergency Communications Center and request a unit from the district of occurrence be dispatched to their location.

In addition, officers working off-duty extension of police service details, upon witnessing or becoming aware of a DV offense, will request a beat car respond to assist with the completion of the arrest, report and signing of warrants.

These processes are effective immediately. Related and additional procedure revisions will be published in forthcoming Staff Notes.

**3. COURT HOLIDAY – MARTIN LUTHER KING, JR. DAY**

The Hamilton County Municipal Court and the Hamilton County Juvenile Court will be closed to observe the Martin Luther King, Jr. Day holiday on **Monday, January 19, 2015**.

Police Officers are reminded not to issue any citations requiring a court appearance on this date.

**4. GENERAL CONDITIONS/AIDED MODULE ACTIVATED IN RECORDS MANAGEMENT SYSTEM**

The General Conditions/Aided module is activated in Records Management System (RMS). The module contains a drop-down box for the Form 316, Minor Accident/Aided Case/Mental Health Response Report and the Form 317, General Conditions Report. The drop-down box options for the Aided Report Purpose are: Animal Bite, Attempt Suicide, Destitute, Narcan, Suspected Mentally Ill and Other. The drop-down box options for the General Conditions Report Purpose are: Found Property (Non-Serialized), Found Property (Serialized), Lost License Plate, Lost Property (Non-Serialized), Lost Property (Serialized), PFO and Property Damage.

Due to the large amount of information required on the Form 316A, Deceased Person Report, officers are to continue completing the paper Form 316A. The completed Form 316A will be submitted to District Quality Assurance (DQA) personnel for entry into RMS.

These processes are effective immediately. Related and additional procedure revisions will be published in forthcoming Staff Notes.

**5. PROBLEM SOLVING TRACKING SYSTEM UPDATE**

Technology and Systems Section has revised the Problem Solving Tracking System (PSTS) used by Department personnel. In addition to using PSTS to document problem solving projects and to guide personnel through the stages of the problem solving process, the database can be used to identify past strategies which have been successful. The revised PSTS database will be available on January 12, 2015. Past problem solving projects will be available for update and review in the revised database.

Upgrades to the PSTS include:

- Expanding the list of problems available for selection
- Allowing officers to select more than one problem type
- Allowing officers to attach most types of supporting documents to the project (including photographs, reports, and crime analysis presentations)
- Creating export options for crime analysts to easily perform advanced analysis of the tracking system

Training dates for Neighborhood Liaison Sergeants, as well as other interested Department personnel, are currently being determined. Personnel with questions or comments about the PSTS should contact SCPA Ben Charlton, Technology and Systems Section, at 263-8174, or Sergeant Matt Hammer, Crime Analysis and Problem Solving Squad, at 263-8102.

**6. S.T.A.R.S. DATA**

Attached to these Staff Notes is the most current Strategic and Tactical Analytic Review for Solutions (STARS) Data. Department personnel are directed to review this information to ensure they remain familiar with crime patterns and trends occurring within the City and their areas of responsibility.

**7. SENTINEL POLICE ASSOCIATION'S MARTIN LUTHER KING, JR. SCHOLARSHIP AWARDS BANQUET**

The Sentinel Police Association is celebrating the 27<sup>th</sup> Annual Martin Luther King Scholarship Banquet on Saturday, January 17, 2015, beginning at 6 pm. This year's theme is **"Stop The Violence."** The event will be held at the Kingsgate Marriott Hotel, located at 151 Goodman Drive.

**Police Officer Robin Elliott**  
**Special Investigations Section, Narcotics Unit**

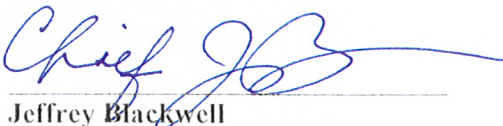

I wish to extend my thanks and official commendation to you for the following:

In early October, 2014, you initiated an investigation regarding an individual selling prescription pills over the last ten years. Through confidential sources, surveillance and research of law enforcement databases, you identified the pill distributor as Jerry Bamberger and determined he was conducting these illegal sales at his residence in Colerain Township and business in College Hill. You conducted surveillance and made controlled purchases at both locations gaining probable cause for arrest and search warrants. This was done through coordinating your investigation with the narcotics units responsible for Colerain Township. You also identified assets gained from Mr. Bamberger's illegal activities.

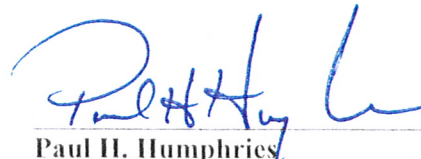

You coordinated simultaneous search warrant entries on October 28, 2014. From the search of the residence in Colerain Township, you recovered hundreds of pills, two rifles, four handguns and \$116,712.00 in U.S. Currency. During the search of the residence, you identified Mr. Bamberger maintained an account and a safety deposit box at the PNC Bank in Colerain Township. Acting quickly, you obtained a search warrant to enter the safety deposit box and seized an additional \$308,894.00 in U.S. Currency.

Your quick actions, investigative expertise, and cooperative efforts led to the arrest of an individual involved in illegal distribution of pills and the cash seizure of \$425,606.00 of forfeitable illegal assets. This arrest and seizure ended a decade long supply of opioids distributed in the Cincinnati area. You are deserving of this commendation for your timely actions, commitment, and professionalism displayed during this successful investigation.

Dear Chief Blackwell

Thank you for allowing me to complete my University of Cincinnati field placement for my criminal justice major at the Central Business District of the Cincinnati Police Department during this past term. Your staff and officers were very courteous to me and the other interns and are certainly model officers. They created a safe fun and enjoyable work environment and were not shy about sharing their experiences and talking with us as coworkers. This internship will always be a great memory for me and I would again like to say thank you for allowing me to participate in your great organization.

Sincerely,

Chief Blackwell,

for staff notes  
chief JZ

I would like to thank you for allowing me to complete my internship for the University of Cincinnati with the Cincinnati Police Department. It was a great opportunity to see all of what the Cincinnati Police Department has to offer. It was nice to be able to see part of how a large department operates on a day to day basis. While I have had experience in seeing how smaller departments are ran, I have never had any prior experience with a larger department such as Cincinnati's. I completed my internship at the Central Business District and it was quite an enjoyable experience. All of the officers that I had the opportunity to work with were helpful and had a passion for their job and the field of criminal justice. It was a great experience all around, and I had the opportunity to apply a lot of what I have learned in classes.

Sincerely,

Alex Olson

note after I had results to share  
from your support....*

On 12/07/14, **I won "Miss. Excel 2015"!!!**

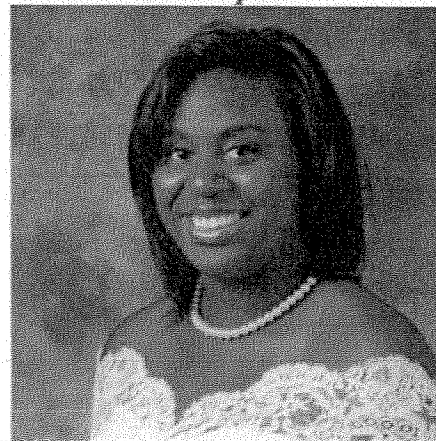

I received college scholarship money as well as college book scholarship money. My success is solely due to your love, encouragement, prayers, and genuine generosity. Words cannot express my deep gratitude, overwhelming joy and appreciation for the tremendous support you showed me. I already knew that giving and loving is a beautiful thing, but I learned through this experience, giving and loving is the currency of compassion and kindness, it is what separates good people from the rest. Thanks for being that "good person" in my life! *"It's easier to take than to give. It's nobler to give than to take. The thrill of taking lasts a day. The thrill of giving lasts a lifetime."* As I press forward to my next endeavor in life, I will treasure the seed of receiving your blessing, however, I will take that seed and plant it into someone else's garden!

***Thanks again for thinking so generously of me and  
subconsciously encouraging me to do the same for someone else!!!***

***A Personal Note From Miss ExCel - Debutante Kirsten Brie Simpson***

*Chief Jeffrey Blackwell,  
Thanks for caring so much about my Granny, Anzora Adkins, that  
you showed your appreciation for her, by supporting me as a  
debutante. Your generous donation as a patron will assist me as  
enroll in college, as a chemical engineering student, having great  
plans to make a difference in society as well as in the lives of  
others. Thanks for helping to make my dream a reality! For your  
thoughtfulness, it is my prayer you will be blessed beyond  
measure! Again I thank you from the bottom of my heart for your  
support.*

Dear Chief Blackwell: ✓

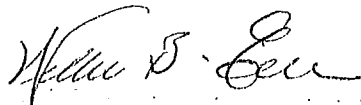

I would like to take this opportunity to thank you for authorizing Assistant Chief Paul Humphries to participate as an assessor in the Boston Police Department's promotion exam assessment for the rank of Captain. ✓

This was a challenging undertaking for our department. We recently completed the exam and assessor portions of the process and are now reviewing the data to establish lists for the ranks of Captain, Lieutenant and Sergeant. As you know, these command and supervisory positions are critical roles for any police agency. I had the pleasure to meet with the assessors as they gathered on their first day and addressed the importance of their work.

I am very pleased to say that the assessors did a remarkable job during this entire process, ensuring for a fair exam and excellent review of our candidates. Assistant Chief Humphries did a tremendous job and represented your agency in a favorable manner. We are grateful for Assistant Chief Humphries's time commitment, professionalism and hard work, as well as your willingness to support this important undertaking for the Boston Police Department. Please extend my thanks and appreciation to Assistant Chief Humphries on a job well done.

Please don't hesitate to reach out to the Boston Police Department in the future if we can reciprocate in the exam process.

Sincerely,

William B. Evans  
Police Commissioner

Dear Chief Blackwell, ✓

I am writing you for two reasons.

First, I thank you for doing a wonderful job as chief by including community with the CPO.

Second, I want you to know that we (communities of Pleasant Ridge & Kennedy Hts.) have an exceptional neighborhood officer in George Engelman.

Recently I spoke with George regarding a neighbor of mine. He said he would be down to Knight Ave. that very afternoon. His response was on target and he even gave me a follow-up call later that day. BRAVO - George - Great work!!

Dear David,

Please accept our sincere thanks to you for contributing your expertise to the excellent Community Enhancement Program presentation our Open World delegates heard on Nov. 12. As I mentioned to you on the phone, they were quite impressed not only with the content but how well organized the presentation was. I think they were especially impressed that you were present.

Because of the commitment of people like you, our Open World programs receive very positive reviews and our delegates take back to Kharkiv some valuable knowledge.

Sincerely,

Susan Neaman, CKSCP President

Dear Lt. Mack,

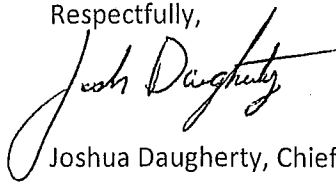

On behalf of the Aurora Police Department, I would like to extend my thanks for the assistance of your Department in reference to our Shooting Case and our Armed Robbery case.

Police Specialist Jane Noel, C.C.A., met with our Detective Vernon McBride twice in the month of October, to work with the victims in each case, and provide suspect sketches. The suspect sketches were distributed to the media and the public responded with possible suspect information. Both cases are still under investigation.

We appreciate her involvement in our investigations, and her willingness to travel to our Department to meet with the victims and our Detective.

If I, or any member of our Department, can be of assistance to your Department anytime, please feel free to contact me at [jdaugherty@aurora.in.us](mailto:jdaugherty@aurora.in.us) or by phone 812-926-1101.

Respectfully,

Dear Chief Blackwell:

On behalf of the residence of Camden Avenue Block Watch, we would like to thank you for the Officers of the VCS: Bowers, Jennings, Billingsley, Davis, Hamlet, Ashbury, Colonel, Horner, and our own Neighborhood Liaison Officer Lori Hamann, for their continual efforts to rid our streets of the trafficking of drugs. It seems to be a hard task to accomplish, because the person that was arrested on 11/24/2014, was back on the street on 11/26/2014 doing the same thing, along with some others.

We want you to know that we appreciate the effort, and that you and your officers are in our prayers.

Thank you,

Mrs. Ruth Johnson-Watts

Thank you all.

Officer Jordan,

Let me just say that has been an absolute honor working with you these past few months. At first, I was not exactly excited to go tutor kids and you knew that, but you told me how great of an experience this is and how I would get a lot of fulfillment out of it. When you made that statement I realized how passionate you were about this program and that is when I got really excited to start with this internship. This has been such a great experience because I realized how important it is to help these kids who are not used to getting some extra help or just not getting any attention. For you to make this program a thing, and getting others involved is simply remarkable and I know you like to be modest, but I definitely brag about how amazing of a program this is to everyone I talk to. You are one of my role models in life and that is not an exaggeration because I really do think the world of you. You have taught me so much in the time that I have worked with you and it has been all things. I love this program so much that I absolutely want to volunteer to do it again next semester. I wish to thank you Officer Jordan for giving me the opportunity to work with you on this program and also for making my internship an amazing experience.

Sincerely,

Kevin Falkler

Thank you Officer  
Jordan for being a  
"difference-maker" in  
your duties to serve  
the community.

Dear Melissa,

Thank you so much for talking to my fifth grade career exploration group today. I loved the way you shared your own story and then went on to explain the importance of calming down a situation and finding out what is causing the person or persons to be upset. I think you gave the students a very positive picture of your career, one which the media does not always do.

Thanks again!

TO Lieutenant Lisa Thompson.

I would like to take this time  
in recognizing P/O Thompson #228.

my mother was involved in an Auto  
Accident 11-24-14 (14-5012167).

my mother being elderly and with  
a very thick Italian accent can  
be very difficult to understand.

P/O Thompson took his time in explaining  
what needed to be done on her half.  
He kept his cool even when there was  
a second Auto Accident that occurred  
in the same location, 2854 Boodinot Av.

I understand that P/O Thompson is  
considering going into the drop program,  
if so in my opinion when police departments  
are under fire through the United  
States officers such as P/O Thompson  
would make a fine FTO for up and  
coming future officers.

Thank You  
Frank Gentile
